

**EECS 140/141 Introduction to Digital Logic Design**  
Spring Semester 2020  
**Assignment #0 Due 23 January 2020**

The following questions are intended to give me a little bit of information about you, and I *may* share some answers with the entire class. However, there are no points associated with this assignment (it is not included in your homework score for the course), so if there are any questions that you do not wish to answer, you should simply leave them blank with no penalty whatsoever. Please provide answers on this sheet (as many as you care to), and turn it in (hard copy) on the due date. If there are any answers that you don't want me to share with the rest of the class, please indicate which ones.

1. Name and KUID.
2. What name do you want me to use when I am talking to you? Provide pronunciation help if you think I will need it.
3. In what city or town were you born?
4. From what high school (name and city) did you graduate?
5. Where else have you lived?
6. How many brothers and sisters do you have, and what is your birth order (oldest, youngest, etc)?
7. What hobbies, interests, or special talents do you have?
8. Of your material possessions (physical things), which do you value most and why?
9. Are you part of a religious or spiritual community (Muslim, Jewish, Christian, Wiccan, etc.)?

10. What languages do you speak (well enough to get around)?
11. What is your major?
12. What influenced your decision to pursue this particular major?
13. How many credit hours are you taking this semester?
14. How many hours per week do you expect to work (at a job) this semester?
15. Do you anticipate any other activities that will require a significant amount of your time this semester (clubs, commuting, getting married, planned surgery, etc)?
16. What are your career goals? That is, what do you hope to be able to do with your degree?
17. What course or subject (need not be in EECS) are you most looking forward to, and why?
18. Do you have a "fun fact" about yourself that you would like to share?
19. Anything else you would like me to know?
