

Agenda

Expanding Perceptions: Collaborative Opportunities with ITTC In Software and Communications Technology

Hosted by
The Information and Telecommunication Technology Center

October 30, 2000
Doubletree Hotel—Seattle 1 & 2
10100 College Boulevard
Overland Park, Kansas

9:00 -- 9:55	Registration Complimentary coffee and tea
10:00 – 10:15	Introduction—Victor Frost, ITTC Director
10:15 -- 10:30	Perry Alexander, Associate Professor of Electrical Engineering and Computer Science <i>Rosetta: Reducing the Cost of System Level Information</i>
10:30 -- 10:45	David Andrews, Associate Professor of Electrical Engineering and Computer Science <i>Embedded and Real-Time Distributed Systems</i>
10:45 – 11:00	Jerry James, Assistant Professor of Electrical Engineering and Computer Science <i>Construction & Integration of Distributed Systems</i>
11:00 – 11:15	Steven Lohmeier, Assistant Professor of Electrical Engineering and Computer Science <i>Wireless Communications and Radar for the New Millenium</i>
11:15 – 11:30	Hossein Saedian, Professor of Electrical Engineering and Computer Science <i>Improving the Quality of Software Engineering and Management for Kansas City Metro Industries</i>
11:30 – 11:45	Timothy Johnson, Executive Director for Operations and Applied Technology Tech Transfer Overview
11:45 – Noon	Q and A
Noon	Luncheon Speaker Scott Hinton, Chair of KU's Department of Electrical Engineering and Computer Science <i>Technology-Enhanced Learning Environments</i>
1:30 – 2:00	Closing remarks and networking
