

Special Problem #1 - 30 points

(For **Edwards section** of EECS 723 only)

Please send the answer to these questions to jstiles@eecs.ku.edu :

1. What is your name?
2. Where do you work? What do you do there? How long have you been at this?
3. What is your educational background (i.e., what degree(s) do you have, and where did you earn it).
4. In general, why are you pursuing a graduate education? What are your goals?
5. Why are you taking EECS 723? Do you have any specific goals for this class (e.g., "I want to be able to design wideband couplers!").
6. What do you do when you are not working/studying?
7. **If** you have one available, please e-mail me a (jpeg) photo of yourself (don't worry about this if you don't have one available).
